### GENERAL INSTRUCTIONS TO STUDENTS

- Students are required to follow directions given by the Examination Supervisor and must refrain from communicating in any way with another student or other third party once they have entered the examination venue.
- Students may not write or mark the exam materials in any way during reading time.
- Students may only access authorised materials during this examination. A list of authorised material is available on this cover sheet.
- All watches must be removed and placed at the top of the exam desk and must remain there for the duration of the exam. All alarms, notifications and alerts must be switched off.
- Mobile phones should be turned off and packed away.
- The due time will not be extended in case a student begins an examination later than the start time specified for the exam.
- Students are not permitted to leave the exam room during the last 15 minutes of the examination.
- If it is alleged you have breached these rules at any time during the examination, the matter may be reported to the University for further action.

### INSTRUCTIONS

1. Place your Macquarie University Campus Card in the top right-hand corner of your desk, with your photograph facing upwards.
2. You must follow all instructions provided by the Examination Supervisor(s).
3. The Examination Supervisor will give you a password to access your examination.
4. **DO NOT** begin the examination or type anything until the Examination Supervisor instructs you to do so.
5. **DO NOT** write or type anything during the allocated reading time
6. You have ONE attempt at the Class Test.
7. There are 13 questions, which are not of equal value and each has several parts. The type of questions will vary:
  - Some require numerical answers which should be given to the number of decimal places specified.
  - Other questions may be multiple choice, drop-down list and/or matching questions.
 The test may cover any content learned from Weeks 1 to 3 (inclusive).
8. Attempt all questions in this paper as per instructions provided.
9. To begin the test, click on the Class Test link provided on iLearn in the 'Assessments: Class Test' section.
  - The questions will appear ONE at a time. Once you select/enter your answer/s, please click the "Next Page" button to move to the next question.
  - You can preview questions by selecting a question in the "Quiz navigation" panel located on the right of the screen.
  - You can answer questions in the order of your choice by selecting a specific question in the "Quiz navigation" panel.
  - You can return to any question using the "Quiz navigation" panel on the top right.
  - Until the exam deadline is reached, you can repeatedly attempt any/all questions.

10. **In case a computer or internet issue occurs, you still can log back in and continue the Exam as long as the time has not run out yet.** Please note that once you begin, the time starts to run consecutively, non-stop, whatever occurs in between. If you cannot log back in, that means your time has run out.
11. To submit your answers and end the exam, before the exam deadline has been reached, click on the “Submit all and finish” button.
12. If you do not click on the “Submit all and finish” button to submit your answers and the exam deadline is reached, you will not be able to enter any further answers and your attempt will be submitted automatically.
13. If you have a question raise your hand and the Examination Supervisor will approach you.
14. No part of this examination paper may be taken from the examination room.

#### SUMMARY OF QUIZ BUTTONS:

|                              |                                                                                                                                                                                   |
|------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Start attempt</b>         | When you click on this button the timer will begin in the <b>Quiz navigation</b> panel at the top right corner.                                                                   |
| <b>Save and review</b>       | Click on this button when finished. You will, then, see “ <b>Summary of the attempt</b> ”.                                                                                        |
| <b>Return to attempt</b>     | Click on this button to review / edit / change your answers.                                                                                                                      |
| <b>Submit all and finish</b> | Click on this button within the test time limit to submit your answers and end the exam. <b>(Once you submit your responses you will not be able to retrieve or change them.)</b> |
